boutique hotel

Christmas 2008

Set in the heart of Scotland's most vibrant city, Saint Judes Hotel is a preferred choice for many of Glasgow's most unique and glamorous parties.

Out of all the parties we organise, Christmas Parties are, and should be, the most fun. We enjoy coordinating them and putting together all the finishing touches that make the difference between a good and a great party.

Mouth-watering food, superb wines, themed decorations, excellent music and entertainment; we can organise as much or as little as you need to ensure everyone has a great time.

Saint Judes lavish banqueting suites are unrivalled in the city, Suitable for Christmas Parties for up to 60 people.

This Christmas, not only does Saint Judes Hotel propose a delicious Asian inspired "Tapas" Menu but also a mouth watering European Menu, designed specifically by our Executive Chef Mr. Paul Newman.

To enhance the dining experience, we have an extensive wine and cocktail list. All our wines are carefully selected by our sommelier to complement the flavours of South East Asian Cuisine and our imaginatively unique cocktail list features ingredients from the kitchen as well as the traditional classics.

Upon arrival each guest is presented with a delicious Festive Cocktail especially designed by our Master Mixologists.

Our team will then show guests how to mix a cocktail in the same way as the professionals.

Our highly trained Mixologists will then take you through the tricks of the trade from Spirit & Ingredient knowledge, "Free Pouring" & other "Flare Moves" as well as the other "closely guarded" secrets of the Mixology Profession.

Guests are then asked to step up to the plate in order to make their very own cocktail and, most importantly, consume the resulting beverage.
